

KANSAS BANKERS ASSOCIATION AWARD CRITERIA

Energy Conservation Recognition

- o Efficient use of energy in farmstead buildings, equipment, and operations including but not limited to building insulation; heating & cooling such as ground source heat pumps; lighting; and striving for peak fuel efficiency in high energy consumption components such as irrigation pumping, refrigeration, power units for tillage, harvesting equipment, etc.
- o Production of energy from renewable sources such as solar; wind; biomass; biofuels such as biodiesel, methane, ethanol, etc
- o Utilization of renewable energy sources

This program is sponsored by the Kansas Bankers Association and promoted by the K-State Research and Extension, Kansas Wild Parks, and Tourism, as well as Conservation Districts around the State. Nominations can be made by any person in the county. They should be sent to the Lane County Conservation District or K-State Research and Extension. We are taking nominations through 9/30/16 for this year's nomination consideration. For more information regarding the program visit: <http://www.agronomy.k-state.edu/extension>
