

Miami County Conservation District Cost Share Assistance Application SFY12

More information on cost share available at www.miamicountyccd.com

- No work shall begin prior to receiving approval. If any work is started before receiving approval project will become ineligible for cost-share.
- Miami County Conservation District has set a \$5000 landowner limit per fiscal year, excluding Livestock Waste Systems.
- All work must be completed to meet NRCS standards and specifications to be eligible for payment. NRCS representatives are available to review standards and specifications with landowners.
- All projects that receive funding are expected to be maintained for 10 years as part of the cost share contract with the State of Kansas.
- Funding provided by Division of Conservation, Kansas Department of Agriculture with appropriations through the Kansas Water Plan Fund. Cost share program files are public record as per Kansas Open Records Act.
- The Mi Co Conservation District is not responsible for arrangements/quotes/contracts between individual landowners and contractors.
